

FRIENDS OF PUGNEYS

SPONSOR A BLUEBELL

£1

Friends of Pugneys are creating a **BLUEBELL WOOD** within the grounds of Pugneys Country Park.

By sponsoring a **bluebell** you will be helping to conserve and sustain one of Britain's most threatened native plants for future generations.

A donation box is available at reception desk.

If you are in a position to “legally” donate native **bluebell** plants from your own private gardens we would love to hear from you.

Please help us conserve a brighter future for the **bluebell** and create a more attractive and natural Country Park.

For further information and to arrange to donate “legally” from your own private gardens please contact

Marjorie Roe e-mail: FOP@talktalk.net
