

FRIENDS OF PUGNEYS wish to invite your school to:-

THE BIG DAFFODIL PLANT

at Pugneys Country Park

One venture being undertaken by Friends of Pugneys is to provide a Daffodil Trail around the lake.

A HOST OF GOLDEN DAFFODILS

We are hoping to accomplish this task with the participation of year 6 pupils from schools in the Wakefield area.

It is intended that each participating school will plant a given area which will then be documented on a plan of the park.

The plan will be displayed in a public area so the children may follow the progress of their labours on future visits with family and friends.

Refreshments will be made available.

Please be aware that schools would be responsible for the transportation of their pupils to and from the country park.

Friends of Pugneys will be available to help the children with the planting.

The sessions will take place between 9:30am and 12md on a mutually convenient date at the start of the Autumn term 2009.

We hope that this will be a good team building experience as well as an enjoyable field event for those taking part

If you have any further enquiries please contact

Mrs Judith Daniels
