

Wakefield District Community Online E-Newsletter

November 2006

Hello all and welcome to the November 2006 edition of your Wakefield District Community Online newsletter.

Digital Camera Winner Announced!

Congratulations to 'Bosom Buddies' who are the grand winners of our 'Win A Digital Camera' competition.

The WDCO Steering Group were impressed with the consistent quality of the look of the 'Bosom Buddies' pages alongside well-written and relevant content. An excellent links page enhanced the quality of the information given alongside thoughtful use of images and logos.

Go to <http://www.wdco.org/site/Breastfeeding-Support-Group/index.htm> to take a look!

Well done to 'Bosom Buddies'! We look forward to presenting you with your new camera!

Spotlight on...

In every newsletter we put the spotlight on a group that have created a site on WDCO.

For this newsletter we are going to look at **Aysgarth Community Association**.

Aysgarth Community Association is all about bringing the community together - their hardworking volunteers organise all kinds of initiatives including an annual Make A Difference Day where they coordinate numerous activities to improve their local environment. A representative for their group attended a brief training session over the summer and since then the site has gone from strength-to-strength!

You can download minutes, view a variety of images from past Make a Difference Days plus find out a lot more about this group by going to:

<http://www.wakefieldcommunities.co.uk/site/aysgarth-community-association/index.htm>

If you would like to have your group featured here then get in touch! Email us at wdcfeedback@wakefield.gov.uk

Good News for WDCO!

The WDCO Admin team are proud to announce that Wakefield District Community Online has been short listed for a prestigious national award.

The annual 'E-Government National Awards' are the UK's highest level commendation for the best E-Government services. The awards celebrate services which, through innovative online delivery or IT, have positively transformed the lives of citizens, local communities or business groups. Winners will be announced and presented with their E-Government National Awards on 17th January 2007.

We'd like to thank all those who have registered and built their pages on WDCO - we wouldn't have been short-listed for the award without your community commitment!

Don't forget...Online Tutorials!

Don't forget that the online tutorials are there to help you make the most of your WDCO site. The tutorials covers everything from the very basics of registration and setting up your site right through to using advanced features like setting up mailing list, adding document downloads and even using some simple HTML (a programming language used by web designers) to enhance the look of your pages.

Go to <http://www.wakefieldcommunities.co.uk/site/online-tutorial/index.htm> to find out more about how the online tutorials can help enhance the quality of your site!

We hope that you have enjoyed reading this WDCO newsletter. If you have any queries or comments about this newsletter then please email us at wdcfeedback@wakefield.gov.uk
